Mayor Tom Sutton called the workshop to order at 5:30 p.m.

Nate Bowe with McGill & Associates presented the Wastewater Treatment Plant Analysis. This was an overview of the Wastewater Plant operations and facility along with improvements that need to be made and the expansion of the plant at the current site or at a different site. The Board was asked to present to the Town Manager by the next meeting any questions and decide what option of expansion the Town wants to pursue.

Mayor Tom Sutton

Town Clerk Lynn Thomas
